VISITORS AND STUDENTS COMING TO THE UK

Contract agreement with the Practice

This is an agreement between the Patient (Visitors/Students) and the practice.

We will accept visitors/Students to register with the practice that provides full visa statement and proof of documentation and are living in our catchment area.

Patients Responsibility

- Provide copies of your visa status documentation/Passports
- Visa extension – proof of documentation with visa dates
- Inform the practice when you are due to return back to your country

I agree that copies and details of documentation mentioned above details are all correct and confirm that I fully understand that I will be removed from the practice list without any reminders on the date my visa expires/date of departure. It will be my responsibility to inform the practice of any extension to my stay before the visa expiry date/date of departure.
